by SANCELL

- ✓ 15% Recycled Content
- ✓ Economic 115M Rolls
- ✓ 100% Recyclable
- ✓ Made in Australia

Furniture

Ceramics

Machine Parts

Void Filling

Food Packing

Introducing the green Recovery 115 metre roll from Sancell!

The perfect all-purpose bubble, Recovery is the protective packaging product with a conscience. Suited to a variety of applications from general packing, online e-commerce deliveries to a production line or manufacturing setting, Recovery is the little all-rounder that can... and all the while looking out for the environment.

Purchase Recovery rolls from Sancell and you can rest assured you're not only buying quality, protective packaging but doing your bit to encourage recycling, manufacturing efficiencies, resource recovery and landfill reduction.

'Recovery' products are those that Sancell recycle internally via our in-house recycle machine. Off-cuts and faulty or un-usable product is remilled and then fed back into our extruders making new product rather than being sent to scrap or landfill.

Sustainability is not about grand gestures and claims of 'saving the planet'. We believe it is making consistent, small alterations to improve our efficiencies and commit to better practice long term.

RECOVERY ROLLS (AVAILABLE EX-STOCK)		
PRODUCT	DIMENSIONS	SLIT
RECOVERY 115	1.5M X 115M	N/A
RECOVERY 300X5 115	1.5M X 115M	5 X 300mm
